CPPEA our own grassroots Employee Association is modeled after successful public Employees Associations:

- **CAPT** – California Association of Psychiatric Technicians.
 - **CAPS** – California Association of Professional Scientists.
 - **PECG** – Professional Engineers in California Government.
- ❖ **Effective bargaining and strong representation through competent law firms. Several law firms who have years of experience in representing and negotiating contract for the public employees throughout California are ready to represent and conduct bargaining contracts for us from Day One!!!**

**CPPEA is a grassroots Employee Association
We need your support... Do you want to help?**
